Subject: ECHA/2009/39: Multiple Framework Contract with reopening of competition and division into lots for external service provision for development, studies, support of information systems and security, awarded through an open procurement procedure

CLARIFICATIONS 15

15.1 We would like ask is it required to offer hosting services (hardware and infra) for LOT1?
If yes, is it allowed to use partners/subcontractors for this?

For LOT 1 it is required to offer hosting services. These tasks can be entrusted to other entities involved in the bid, be it as sub-contractors or as members of a consortium in a joint offer.
