Subject: ECHA/2009/39: Multiple Framework Contract with reopening of competition and division into lots for external service provision for development, studies, support of information systems and security, awarded through an open procurement procedure

CLARIFICATIONS 17

17.1 Does the eligibility clause “[Any physical person or Legal Entity coming from countries within the EU and any other physical person or legal entity from a third country that has concluded with the communities a specific agreement in the area of public contracts, under the conditions provided for in that agreement]” apply even for Sub-Contractor? In other way can sub-contractor be from a country which is non-EU and doesn’t have a specific agreement in the area of public contracts?

As far as assessment of compliance with the eligibility criteria is concerned, the nationality of the subcontractor will not be considered.
