Subject: ECHA/2009/39: Multiple Framework Contract with reopening of competition and division into lots for external service provision for development, studies, support of information systems and security, awarded through an open procurement procedure

CLARIFICATIONS 8

8.1 What does the hosting term means in title field of Case Study 1 of lot 4? Does this study include also hosting services, where hardware resources would be offered for ECHA´s applications?

Yes, Case Study 1 of Lot 4 includes hosting services, where an application should run on hardware resources not owned by ECHA.

8.2 What does the Y/N date mean on the front page of each case study?

Please ignore the “Y/N date” mentioned in the case studies. It does not have any relevance in this context.

8.3 How the case studies differ inside the Lot? E.g. Case study 1 and 2 inside lot 1 handles same issue but only different point of view. Would you like to have the separate proposal for each case study?

Yes, please provide separate proposals for each case study inside Lot 1.
